

# United States Mint Expands Its Online Subscription Program

July 15, 2009

WASHINGTON — The United States Mint announced today that it is adding four current products to its Online Subscription Program. Beginning July 23, customers can sign up to receive automatic shipments of the Native American \$1 Coin Roll (P&D), Kennedy Half-Dollar Two-Roll Set, Kennedy Half-Dollar 200-Coin Bag and the United States Mint Presidential \$1 Coin Uncirculated Set™.

The United States Mint has streamlined the process for enrolling in the Online Subscription Program. Customers now can enter a single figure to indicate the number of units for each subscription item they want to receive, as opposed to entering multiple groupings of product units to reach the desired quantity. The United States Mint will continue to send 30-day notifications to customers before charging the next subscription item to their credit card. Customer credit cards will be charged when subscription items are shipped.

Launched in 2001, the United States Mint Online Subscription Program is a convenient way for coin collectors to acquire select products as they become available. Customers may enroll in the program at the United States Mint's secure Web site, [www.usmint.gov/catalog](http://www.usmint.gov/catalog), or by calling 1-800-USA-MINT (872-6468). Hearing and speech-impaired customers with TTY equipment may order by calling 1-888-321-MINT (6468).
